Upcoming Events

Membership Meetings

November 16, 5:00 pm. The meeting location will be at the GH Public Safety building. The topic will be estate planning for your amateur radio station equipment.

December 21, 5:00 pm. Christmas Dinner at Central Park Place, 421 Columbus Ave.

Events

Turkey Trot -5K Race. Thanksgiving Day. Meet at the GHPS Dept. at 7:30 am

Jingle Bell Parade- Dec. 2. Parade starts 6 pm. We will meet at 5pm at the GHPS Dept. for assignments. It is important to dress for the weather.

Program

The program was given by Robert Durfee-K9XB on working satellites via Zoom.

He emphasized that a vertical antenna and any two band VHF/UHF radio will work. Except for the ISS, you cannot use more than 5 watts when working a satellite.

Find the satellites that are working on KA7FVV.net.

Find the passes on <http://amsat.org.ar/pass.htm>. The elevation needs to be above 25°.

Respectfully submitted.

Ross -N8GMY
